

EDA Boys and Girls "Little Elites" Academy

Elite Development Academy Parents & Player Expectations and Procedures

- Player commitment is for one season; from the time of the player registration through the end of the season.
- Financial requirements are the responsibility of each parent. All payments need to be made the first week of the month. Delinquent payment will affect a player's participation with the "Little Elites" program as directed by EDA and Cal South (CYSA). Furthermore, by signing this parent and player agreement, the undersigned parent or guardian acknowledges liability for any player fee balance remaining in the event the player leaves the Academy.
- Payments are \$50.00 a month. Additionally, if you elect to have your child participate in a Fall or Spring Schedule of games, any scrimmages or tournaments, the additional cost will be paid by the group (team) assembled for participation.
- Fees are fixed for the entire season and may include additional team purchases provided by your team manager/administrator.
- Players are required to wear the following practice gear: Silver EDA Training Shirt, Black Shorts and Black Socks. Players not adhering to this rule may not be allowed to practice.
- Any player not attending a practice or game must contact the manager/coach prior to the absence. Missing practices and/or games without prior notification will influence future playing time.

I, the undersigned, have carefully read the above Parents/Player Expectations and Procedures and fully understand its content. I understand this is a release of liability by me (The Undersigned) and my child (The Player) and will not hold EDA responsible for any player, parent or legal guardian not adhering to the procedures, policies and expectations described in this agreement.
